Thank you for the outstanding support provided by the staff of the Office of the Chief Human Capital Officer who helped to make the 2019 Regulatory Information Conference (RIC) a tremendous success. More than 2,300 people attended this year's conference!

The RIC is the largest meeting sponsored by the U.S. Nuclear Regulatory Commission (NRC) and requires the contributions of many to plan and execute a conference of this magnitude. The NRC is fortunate to have skilled and talented employees whose knowledge and expertise are proudly showcased during the RIC. We would like to acknowledge you and the following individuals from your office for demonstrating professionalism, dedication, and the ability to innovate:

- Digital Presentation and ePoster Presenters: Jennifer Golder and Patrice Reid

Please convey our gratitude for their outstanding efforts in support of this important NRC event. RIC 2020 is scheduled for March 10–12, and we look forward to your participation in next year's conference program.
