Dear Ms. Anderson:

On behalf of the U.S. Nuclear Regulatory Commission (NRC), I'm writing to thank you for presenting at the NRC's 31st Annual Regulatory Information Conference (RIC). My NRC colleagues and I recognize and appreciate the level of effort you took to make this session informative and successful. The success of the RIC depends on individuals such as yourself who bring experience and valuable viewpoints to this endeavor. Thank you, it was a pleasure working with you.

Video recordings captured during the Opening Session, the Commissioner Plenary Sessions, the Special Guest Speaker Session and the Regional Session are available to the public at <http://video.nrc.gov/>. Additionally, audio recordings, transcripts, and presentations received while onsite are currently being compiled and will be posted on the RIC website at <http://www.nrc.gov/public-involve/conference-symposia/ric/index.html> in the next few weeks.

We hope you will join us next year for the 32nd annual RIC, March 10–12, 2020.

Sincerely,

/RA/
