Dear Mr. Moseley:

The 1976 Annual Operating Report has been delayed as the HP release reports required recalculation; this was referenced in our response to IE Report 50-280/76-18 and 50-281/76-18. The recalculation has been completed and the report is now subject to the printing schedule. It is expected to be forwarded by March 25, 1977.

Very truly yours,

*C. M. Stallings*
