Dear Mr. Moseley:

The 1976 Annual Operating Report has been delayed as the HP release reports required recalculation; this was referenced in our response to IE Report 50-280/76-18 and 50-281/76-18. The recalculation has been completed and the report is now subject to the printing schedule. It is expected to be forwarded by March 25, 1977.

Very truly yours,

C. M. Stallings
