The NRC staff from the Division of Engineering (DE) is reviewing the information contained in the subsequent license renewal application and has identified, in the enclosure, areas where additional information is needed to complete the review.

These requests for additional information were discussed with Steve Franzone of your staff during a clarification call/audit breakout session on April 10, 2019, and a mutually agreeable date for the response is within 30 days from the date of this e-mail. If you have any questions, please contact me by e-mail Lois.Jame@nrc.gov.
