HI

Please see attached. The amendment to the license should be for Dee Fairservis, this may be something you are currently working on updating but wanted to make sure you have all the correct information. Let me know what else is needed from me. Also, I noticed the address is not correct, we no longer have the PO Box. Our street address is what should be used:

Energy Laboratories
2393 Salt Creek Highway
Casper WY 82601

Thanks
Dr. Sheaff
