RE: Pending Termination of NRC License No. 21-32437-01
Attn: Ms. Laura Cender

Ms. Cender:

Thank-you for your call today regarding the termination of our NRC license No. 21-32437-01. The statements requested can be found below.

1. Paradigm Design has only ever possessed one Troxler 3400 Series portable gauge since obtaining our original license.
2. Since obtaining the Troxler 3400 Series portable gauge, no leaking sources have ever been identified.

Please feel free to contact me at 616-785-5581 or bholleman@paradigmae.com if you have any questions or need additional information.

Regards,
PARADIGM DESIGN

Hello Brian,

Thank you for taking time out of your day to discuss your pending NRC license termination request. As we discussed today, in order to continue moving forward with the license termination, please provide a statement confirming that your company has only ever possessed the one Troxler 3400 Series portable gauge. Additionally, please also provide a statement confirming that no leaking sources have ever been identified.

Please ensure that your response is both signed and dated. You may send your response to me directly as an attachment via email, or to our regional office via regular mail or fax to 630-515-1078.

Please feel free to contact me at 630-829-9712 or via email if you have any questions.

Thank you,
Laura
