Description

454/2000

NARA collects the individual 'self-assessment' agency reports for every agency every year. These are the reports for Records Management offices to see how they are doing in compliance with regulations. It has published an overarching conglomerate report on their website here: <https://www.archives.gov/records-mgmt/resources/self-assessment.html> . We would like to receive a digital copy of each of the individual self-assessment reports for each agency.
