Ah, yes please. Apparently the address never got updated from when Joe moved offices. It is literally across the street, and Longview's office still, but 1375 is technically correct.

Thank you.

Thanks,

I also came across a second question. Since you want your address to be 1375 Fort Martin Road, the only way I can do that is to make the address on the license the same. Do you want a license amendment to change the licensee address? Currently it is 966 Crafts Run Road.

Mr. Hoyt,

Please tell me if your cell phone is a business phone or a personal phone. If it is a personal phone, I need to redact it from the document.
