**RE: Amendment to Materials License No. 21-00215-04 / Docket No. 030-01988  
Type A License of Broad Scope  
University of Michigan**

Materials Licensing:

The University of Michigan (U-M) is requesting an amendment to U-M Materials License No. 21-00215-04 (Docket 030-01988). The U-M needs to amend Item 7.L of the current license. Effective May 15, 2019, Mallinckrodt Medical B.V. is changing its name to Curium Netherlands B.V.

Question. Is it necessary to list the names of the companies in Section 7.L? Prior to Amendment No. 105, Item 7 indicated: 'Sealed sources (Varian Medical Systems, Inc., Model GammaMed 232)'.

Thank you for your time, effort, and consideration in this amendment request. Please do not hesitate to contact me at Radiation Safety Service / EHS [(734) 647-2251 / (734) 764-6200 / [drisc@umich.edu](mailto:drisc@umich.edu)] should you have any questions or comments regarding this correspondence.

Sincerely,

Mark L. Driscoll  
Director / Radiation Safety Officer  
Radiation Safety Service / EHS
