SOUTH CAROLINA ELECTRIC & GAS COMPANY
VIRGIL C. SUMMER NUCLEAR STATION (VCSNS) UNIT 1
NOTIFICATION OF NAME CHANGE

On January 1, 2019, Dominion Energy, Inc. purchased SCANA Corporation. South Carolina Electric & Gas Company (SCE&G) is a subsidiary of SCANA Corporation. This letter provides notification that SCE&G, which is authorized under Facility Operating License NPF-12 to operate and possess Virgil C. Summer Nuclear Station Unit 1, will be changing its name to Dominion Energy South Carolina, Inc. (DESC) effective April 15, 2019. SCE&G will be requesting a license amendment to reflect this name change, which will be submitted separately.

This is a name change only. The corporate existence of SCE&G continues uninterrupted and all of their legal characteristics remain the same. The name change does not involve any change to the ownership, management (including officers and directors), organization, operation, obligations, rights or liabilities of the companies; nor are there any changes in the function of this company, or the way they do business. Therefore, the name change does not constitute any transfer, either direct or indirect through a transfer of control, of their licenses that would require NRC consent under 10 C.F.R. 50.80.

Please contact Craig D. Sly at (804) 273-2784, if you have any questions or require additional information.

Sincerely,

Daniel G. Stoddard
Senior Vice President and Chief Nuclear Officer
South Carolina Electric & Gas Company
