Subject: RAI, Diagram and Qualifications

Discussion: I discussed with Mr. Smith that he needed to resubmit the diagram of his storage facility. On his submittal it was very small and not very easy to read. He also needed to include what was around the building.

I also stated he needed to have the person who trained him on using a portable gauge to sign a letter stating that he believed Mr. Smith was satisfactory to be an authorized user.

Action Required: Mr. Smith to send in this information
