Re: Change in Radiation Safety Officer (RSO)

Dear Sir or Madam:

This letter will serve to inform The U.S. Nuclear Regulatory Commission that as of May 1, 2019 TES will change the Radiation Safety Officer (RSO) from Ms. Dusty Haddad to Mr. Sabah Toma, Civil Engineer. Mr. Sabah Toma will assume the duties of RSO under the Material License No. 21-32150-01. The reason for the change is that Ms. Dusty Haddad will be leaving the firm effective April 30, 2019.

Mr. Toma will be brought fully up-to-date on the company's Radiation Safety Officer (RSO) program prior to the departure of Ms. Haddad from the Company. Mr. Toma will complete his official RSO training through Troxler Company on May 15, 2019. A copy of the certificate will be forwarded to you upon receipt.
