Subject: RAI, New Location

Discussion: I asked Mr. Gould if both his mailing address as well as the location of storage would change. He said yes. I asked him to send in a diagram of the location and distances from where he planned to store the material. He said he hadn't been to the building yet, but would send the diagram this week. He also stated that it was a one floor facility and believed the location was on the end but does share a wall with another tenant of the building.

Action Required: Mr. Gould to send in the additional information.
