Mr. Morehead,

I'd like to thank you for your time today and your staff during the NRC inspection in Cheyenne, Wyoming on April 4, 2019. As I briefly discussed today, the NRC has determined that no violations of significance were identified. The attached NRC Inspection Report (NRC Form 591M) documents the results of the inspection. This does not require you to take any action and you are not required to sign either document or return it. I do however request a courtesy email response from you acknowledging receipt.

If you have any questions or concerns, please do not hesitate to contact me,
