RE: Request to Expedite Amendment to US NRC Export License XSNM3768/01

Dear Ms. Chimood,

We are respectfully requesting that the NRC expedite the processing of the amendment to US NRC Export License XSNM3768/01 which Edlow International Company submitted to the NRC on April 15, 2019.

In order to meet various required Indonesian deadlines, the shipment must be fully licensed to ship no later than mid-June 2019 -- otherwise monetary penalties may be incurred. Y-12 (Supplier) has confirmed that it can support the target shipment date, provided that the amended export license is issued. Any questions or concerns regarding Y-12 may be referred directly to Brent Wilhoit at (865)-576-2009.

Thank you in advance for all your consideration. Please contact me if you need any further information.

Respectfully Submitted,

Russell B. Neely
Chief Operating Officer
