Additional Information Needed for License Amendment

SUMMARY

This record is in reference to the request to amend License No. 12-32746-01 dated January 29, 2019, and the resulting conversation between the RSO, Douglas Jury, and NRC license reviewer Erin Kennedy. Please carefully review the items listed below and provide your signed and dated response no later than April 18, 2019.

This conversation record details the additional information that will be needed to authorize your request to increase your possession limit for License No. 12-327601-01:

1. Please specifically request the make, model, and total number of gauges that you would like to have authorized on your license as well as the total possession limit for each isotope.
