Licensee: Rutland Regional Medical Center  
License No.: 44-14121-01      03007587

To Whom It May Concern:

Rutland Regional Medical Center would like to make the following amendments to our current license. This amend will include an additional authorized user and change appointment of Radiation Safety Officer.

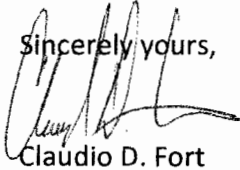

We are requesting Andrew C. Boyer to be added as authorized user for material medical use of 10 CFR 35.100, 10 CFR,35.200, Oral Administration of sodium iodide I- 131 in quantities less than and greater than 33 millicuries, as listed with his current license attached.

We would like to make the change at this time of Radiation Safety Officer designation to Andrew C. Boyer, M.D. and remove Daniel R. Mitchell, M.D from this designation. Daniel R. Mitchell will remain as an authorized practicing physician on our materials license but transfer of Radiation Safety Officer is being requested at this time.

Please find attached is a copy of the Radioactive Material License from the state of Oregon Health Authority License No. ORE -90321. This document reflects Dr. Boyer's currently listed authorized user credentials and Radiation Safety Officer status.

Thank you.

Sincerely yours,

Claudio D. Fort  
President and CEO  
Rutland Regional Medical Center
