SUBJECT:

Beaver Valley Power Station, Unit No. 1
Docket No. 50-334, License No. DPR-66
Davis-Besse Nuclear Power Station, Unit No. 1
Docket No. 50-346, License No. NPF-3
Withdrawal of License Amendment Request that Reflects a Change in the Entity Providing a \$400 Million Support Agreement (EPID-L-2017-LLA-0239)

FirstEnergy Nuclear Operating Company requests the withdrawal of a previously submitted license amendment request for the Beaver Valley Power Station, Unit No. 1 (BVPS-1) and Davis-Besse Nuclear Power Station, Unit No. 1 (DBNPS) dated May 18, 2017 (Accession No. ML17138A381). The proposed amendment would have conformed the BVPS-1 and DBNPS renewed operating licenses to reflect that FirstEnergy Solutions Corp. is providing the \$400 million support agreement instead of FirstEnergy Corp.

There are no regulatory commitments contained in this submittal. If there are any questions or if additional information is required, please contact Mr. Thomas A. Lentz, Manager – Fleet Licensing, at (330) 315-6810.

Sincerely,

Darin M. Benyak
