Good morning Ms. Walker,

I have reviewed the licensee's request to terminate NRC license no. 13-32796-01 and the supporting documentation.

Please submit the following information:

1. Could you please resubmit NRC Form 314 and have management representative (CEO) co-sign (print name and sign above your name and signature) and date the form (all other information on the form is correct),
2. NRC Form 540 listing the Co-57 source acknowledging receipt of the source and signed by Bionomics representative in Item 9 (the documentation you provided contains Form 540 listing Cs-137 and Am-241 only signed by Bionomics representative in Item 9).

Please provide the information by 5/20/19. You may email the forms directly to me.  
Please let me know if you have any questions.

Thank you
