HAVEN, CONNECTICUT**

Dear Dr. Van Nortwick:

This letter is to inform you that we have completed our review of your Cleanup Plan dated May 7, 2019, [Agencywide Documents Access and Management System (ADAMS) Accession Number ML19128A153] for the former United Nuclear Corporation Naval Products site in New Haven, Connecticut. We have informed the State of Connecticut Department of Energy and Environmental Protection of the results of our review. Based on our review, the NRC has no further questions and expects that you will continue with your activities at the site.

In addition, you should submit a revised Final Status Survey Plan to the NRC for review prior to implementation.

If you need any additional information or assistance, please contact Laurie A. Kauffman at (610) 337-5323. Thank you for your cooperation.

Sincerely,

/RA/
