Good afternoon Betsy,

Thanks for taking some more time this afternoon to talk regarding the amendment. Again I apologize for my corporate office not really understanding the regulations. I have indicated it in the letter attached, but want to reiterate and provide confidence that I am well aware of the regulation regarding the storage of our gauges and my corporate office has been well versed and these gauges will remain in place until approval.

Please see my attached letter, overview of the facility and detailed diagram showing our future location. Lease agreement also attached.

Should you have any questions please do not hesitate to call, email or text.

If you could, can you please confirm receipt of this so I know that the email you gave me was recorded and re-typed correctly.

Thank you,

Jose Otero, Jr.
