SUBJECT: UNIVERSITY OF DELAWARE, ACCEPTANCE OF NOTIFICATION OF  
CHANGES IN EXECUTIVE MANAGEMENT, MAIL CONTROL NO. 612051

Dear Dr. Riordan:

This is in reference to your letter dated April 18, 2019, notifying the NRC that the title of an individual described in the *Executive Management* section of your renewal application has changed. Based on a review of the renewal application and the description of the individual to be designated as the representative for executive management in the April 18 letter, we accept this information as a notification and do not believe that amendment of the license is required at this time. We understand that organizational changes occur, including changes in titles. Oversight of your Radiation Safety Committee is unchanged by referring to the executive management representative by description rather than by title. No further correspondence on this matter is required.

Your cooperation is appreciated.

Sincerely,

Betsy Ullrich, Senior Health Physicist  
Commercial, Industrial, R&D  
and Academic Branch  
Division of Nuclear Materials Safety
