**SUBJECT: WITHDRAWAL OF REQUEST FOR EXEMPTION TO USE MIRION
TECHNOLOGIES INSTADOSE PERSONNEL MONITORING
DOSIMETRY**

Dear Mr. Ragland:

Advex Corporation of Hampton, VA; NRC License 45-16452-01, hereby withdraws our exemption request in our letter dated July 1, 2016. After review of the requirements and changes made to insure compliance with our dosimetry being processed and evaluated by an accredited National Voluntary Laboratory Accreditation Program (NVLAP) processor, Advex Corporation has decided to retract the prior exemption request.

Advex will continue to use Mirion Technologies Instadose Personnel Monitoring Dosimetry for informational purposes only. The official method for monitoring and records will be processed and evaluated by an accredited National Voluntary Laboratory Accreditation Program (NVLAP) processor to be in complete compliance with the USNRC regulations and in accordance with 10 CFR 34.47(a). Advex Corporation implemented the use of dosimetry processed and evaluated by an accredited National Voluntary Laboratory Accreditation Program (NVLAP) processor on August 1, 2016.

If you have any questions or need additional information, please do not hesitate to contact me.
