Dear Dr. Langhorst:

It has come to our attention that Amendment No. 122 to your NRC Material License No. 24-00513-32 issued on April 29, 2019, contained errors.

We corrected the terminal degree for you to "Ph.D."

We adjusted Condition No. 12.B. to include authorized medical physicist evaluations by the Radiation Safety Committee.

We corrected the mailing address used for our letters to you to reflect the recent change to "900 East Stadium Blvd., Suite 180."

We apologize for these errors and for any inconvenience they may have caused.

NRC's Regulatory Issue Summary (RIS) 2005-31 provides criteria to identify security-related sensitive information and guidance for handling and marking of such documents.
