**SUBJECT: GOVERNMENT-TO-GOVERNMENT MEETING REGARDING
NRC's ANNUAL ASSESSMENT OF INDIAN POINT**

Dear «Salutation»:

You are cordially invited to attend a non-public Government-to-Government Meeting hosted by the U.S. Nuclear Regulatory Commission (NRC) for representatives of Federal and State agencies and departments as well as local agencies and government organizations from the communities surrounding the Indian Point Energy Center (IPEC). At this meeting, the NRC will discuss a number of topics including its assessment of Indian Point's performance during calendar year 2018.

The NRC is providing this information in advance of the public annual assessment meeting scheduled for later that evening. The Government-to-Government Meeting will be limited to government officials, or their representatives, to best facilitate an open discussion. We would like to use this occasion to listen to your perspective and answer questions on issues you believe are important as they relate to Indian Point.

The Government-to-Government Meeting will be held from 1:00 p.m. to 3:00 p.m. on Thursday, June 20, 2019, at the DoubleTree Hotel, located at 455 South Broadway, in Tarrytown, NY. The meeting rooms for this year are located on the lower Plaza level, the same rooms that were used last year. Registration will begin at 12:30 p.m. Please RSVP by emailing or faxing the enclosed form to Briana DeBoer at briana.deboer@nrc.gov or 610-337-5370 by June 12, 2019. You may also provide additional topics you would like us to consider adding to the agenda on the form as well. Please let us know if you would like some time on the agenda to make a presentation. To register, please indicate if you will attend in person or send a designated representative in your place. We respectfully request that you limit participation to one individual.

We look forward to meeting with you on June 20th. If you have any questions about our planned meeting, please contact Briana DeBoer at 610-337-5370.

Sincerely,

A handwritten signature in black ink, appearing to read 'R. Lorson', with a large, stylized initial 'R'.
