Subject: [External_Sender] NJ Rule proposal

To Whom It May Concern:

Attached please find NJ's rule proposal to 1) address NRC's outstanding comments, 2) amend our Part 71 incorporation to address compatibility issues, and 3) incorporate by reference the amendments to Part 35. This proposal also has some elements for our Xray program, which I mostly deleted. Let me know at your earliest convenience if you have any comments. We intend to send to our Commissioner for approval by June 3. Please contact me if you have any questions.

Thanks

Jenny
