Good morning Mr. Bell,

I have reviewed your request dated 4/19/19 to add Anjum Shariff M.D. to NRC license no. 24-18655-01.

I reviewed NRC license no. 24-24660-01 (as well as other NRC licenses) and noted that Dr. Shariff is listed as an AU for 10 CFR 35.100 and 35.200 material only. He is not authorized to use 10 CFR 35.300 material.

At this time, I am only going to authorize Dr. Shariff for 10 CFR 35.100 and 35.200 material.

Please submit the required Board certification or training and experience and preceptor attestation in accordance with 10 CFR 35.392 and 35.394 if you wish to add Dr. Shariff for 10 CFR 35.300 material use.

The NRC recognizes the following board certifications listed at:

Please let me know if you have any questions.

Thank you
