To Whom It May Concern:

This letter is to inform the NRC that at this point, we are in the process of having the contaminated area remediated by DDES, LLC. They have begun the initial process and are expected to complete the cleanup in the latter part of June (2019). I was advised by DDES, LLC that they will be notifying you shortly. If you have any questions, please feel free to contact me at 203-808-2657.
