Re: Invoice LFB19-2689
Nuclear Lab Closure

To whom it may concern:

This letter is to notify you that our practice VC Reddy MD & SS Dandamudi MD PC located at 714 S Trumbull Bay City MI 48708 was sold on November 30, 2018 and McLaren Medical Group took over. Our Nuclear lab was closed on 11-30-2018 and will not be reopening. This is a request to termination of our license. Please advise us of the process to terminate the active license. We do have a physicist from MPC that will be assisting us with the lab closure. Also, please advise as what our payment obligation is with the invoice that is presently due. I can be contacted at 989-893-5193.

Thank you,
