CONVERSATION RECORD (continued)

SUMMARY: (Continued from page 1)

This conversation record details the additional information that will be needed to authorize the request to terminate your NRC Lic. No. 24-26279-01

1) Please provide a signed and dated NRC form 314, or a signed and dated letter containing the equivalent information. For your convenience I have attached a fillable PDF version of form 314 to this email. The form needs to be signed by the Radiation Safety Officer or a senior manager (generally director level or higher).

Please note: Section C. of form 314 does not require radiation surveys IF:

Only sealed sources were ever possessed under the license and

- a. the most recent leak tests are attached to the submittal; and
- b. no leaking sources have ever been identified at your facility.

2) Please provide an attachment of the most recent leak test results for all of the specifically licensed gauges that were used or stored at your facility.
