Hello Mr. Callis and Mr. Stearns,

I have attached the inspection report as we discussed during the exit meeting last week, no violations were identified which is indicated on the report.

I will make this report a public safety record in the NRC's database, the Agencywide Documents Access and Management System (ADAMS) after my Branch Chief signs it.

If you have any questions about needing the NRC license or any other issues, please let me know. If you would respond to this email so that I know you have received the report I would appreciate it.

Thanks,
