Laura

Thank you for assisting the department for the proposed amendment. I am requesting you use the April 15, 2019 date. We do use both addresses. However, the State Secondary Complex inclusion assists the Fed Ex delivery system to our building. Both addresses are used by the U.S. Post Office and the State of Michigan mail system. We have multi state agencies in the immediate area and several state government complexes.

Subject: Pending NRC License Amendment Request - Clarify Mailing Address

Hello Tom,

I was finishing up your license amendment request this morning and when updating the mailing address I noticed that there is a discrepancy between the address provided with your submission dated April 15, 2019 and your submission dated May 9, 2019. Please clarify which address is correct and should be used for future NRC correspondence.

1. April 15, 2019 Submission
Michigan Department of Transportation
Construction Field Services Division
State Secondary Complex
P.O. Box 30049
8885 Ricks Road
Lansing, MI 48909
2. May 9, 2019 Submission
Michigan Department of Transportation
Construction Field Services Division
P.O. Box 30049
8885 Ricks Road
State Secondary Complex
Lansing, MI 48909

The current mailing address we have in our systems is as follows:
Michigan Department of Transportation
Construction Field Services Division
P.O. Box 30049
Lansing, MI 48909
