Importance: High

Chris and John,

Three files are attached here, for NRC consideration:

- Revised approach
- Proposed TS markup
- Proposed UFSAR markup

Our desire is to not schedule a call until NRC has had enough time to fully consider this input. Having said that, next week should work for TN, any time, except for a Rancho Seco LRA RAI call (Wendy) Tuesday the 4th from ~1 to 3 p.m.

We will wait to hear from you that you are ready for a call, and then we will work with you to agree on the timing.

Best regards and have a great weekend,

Don
