SUBJECT				
Pending NRC License Amendment Request - Additional Information Required				
SUMMARY AND ACTION REQUIRED (IF ANY)				
<p>This is a summary of the conversation that occurred between Laura Cender and Jeremy Barron on May 31, 2019 regarding the license amendment request dated on April 29, 2019.</p> <p>As we have discussed today, your location at 801 Clark Drive, Gladstone, MI 49837 cannot be removed from the license until all licensed material has been removed from the facility. This location may be removed with a separate amendment at a later date.</p> <p>Please provide your signed and dated response to the following items:</p> <ol style="list-style-type: none"> Please provide a statement confirming the new mailing address to be listed on the license and used for future NRC correspondence. Please resubmit Page 3 of your original submission, which appears to contain an overview of the facility along with additional added text. Due to the limitations of the fax machine system the original submission is distorted and difficult to review. <p>Please submit your signed and dated response as an attachment via email by no later than Friday June 7, 2019. As your response will contain security related information, please protect the attached file with a password, and share the password with me via phone. Please feel free to contact me at 630-829-9712 or send me an email if you have any questions.</p>
