TRAINING: No special training is required for any documents issued with this Change Notice.

REMARKS: IP 71111.21N.05, "Fire Protection Team Inspection (FPTI)," is a first issuance. Completed a 4-year search for commitments and found none. This procedure replaces IPs 71111.05T and 71111.05XT, starting in January 2020. Seven FBFs associated with IP 71111.05T and IP 71111.05XT were closed: The recommendation to rename B.5.b equipment will not be incorporated since this equipment will not be inspected by this FEI. Performance-based aging management inspection guidance has been incorporated in Section 03.01 f. A statement in the corrective action portion to require inspectors to review the past corrective action documents that resulted from the last FEI has been incorporated into 7111.21N.05.02, "GENERAL GUIDANCE". A review of the licensee's combustible control program has been included in Section 71111.21N.05-02, "GENERAL GUIDANCE". A statement in the corrective action portion to require inspectors to review the past corrective action documents that resulted from the last FEI has been incorporated into 7111.21N.05.02, "GENERAL GUIDANCE". A review of the licensee's combustible control program has been included in Section 71111.21N.05-02, "GENERAL GUIDANCE" section. The recommendation to request any documents to support inspector preparation or evaluation of the Fire Protection System Monitoring Program will not be incorporated since the FEI will not include guidance to request fire protection-related documents.
