Subject: Notification of sale needed

Discussion: The licensee is purchasing a hospital (which is also a licensee) and adding the hospital to the Bridgeport Hospital license as a location of use. I contacted the RSO to inform him that I have received all of the necessary documentation (the request to amend and the request to terminate from the other licensee) but will need a notification, signed by management, when the sale is complete. The RSO stated that he would have an attorney draft and forward the letter when the sale is complete.

Action Required: Place into ADAMS
