Re: Greenwich Hospital
License No. 06-09522-01

Ms. Lanzisera:

In response to your email dated June 13, 2019, please see below:

GHA (licensee) affiliated with YNHHS thru GHCSI in 1998, and that same year GHA changed the name of its corporate entity to Greenwich Hospital (GH). In 2016, GHCSI merged into GH (formerly known as GHA) with the surviving company after the merger being GH. Licensee will continue to oversee day-to-day operations under the authority of a Board of Directors established by the merged and affiliated companies. The Board of Directors has ultimate decision-making power, control, and authority over the licensee's operations. Please change licensee name to Greenwich Hospital. The affiliation with YNHHS does not need to be included in the hospital's licensed name.

Please let me know if you need any further information.

On behalf of YNHHS and GH,

Norman Roth
President & CEO
Greenwich Hospital

Executive Vice President
Yale New Haven Health System
