Lisle, Illinois 60532-4352
ATTENTION: Mr. Michael LaFranzo

**Subject: Notification of Intent to Decommission Certain Buildings and Outdoor Areas, NRC
Radioactive Materials License Number 21-00016-04**

This letter serves as notification to the Commission by General Motors LLC Research and Development Center, 30500 Mound Road, Warren, MI (the Licensee) of the cessation of principal activities in certain buildings and outdoor areas, and the Licensee's intent to commence appropriate decommissioning activities. This notification is made in accordance with 10 CFR 30.36.

The Licensee does not intend to terminate the license. The Licensee decided to permanently cease principal activities in certain buildings and outdoor areas as of June 1, 2019. Subsequently, the Licensee will be developing and submitting a Decommissioning Plan (DP) for the Commission's review and approval. All decommissioning activities will be performed in accordance with 10 CFR 20 Subpart E, NUREG-1575 (MARSSIM), and NUREG-1757 Vol. 2 requirements.

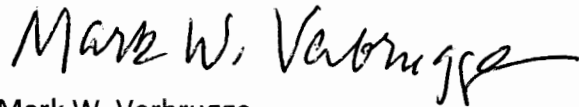

In order to facilitate an expedited decommissioning schedule, the Licensee will follow this notification with a request to meet with the Commission, at either your facility or the Licensee's facility, at your preference, to present details of the decommissioning process and content of the DP.
