SUBJECT: APPALACHIAN PAVING & AGGREGATE, LLC, LICENSE TERMINATION, MAIL CONTROL NO. 612199

Dear Mrs. Hannah:

This letter serves as written notice of the termination of NRC License No. 47-31363-01 in accordance with the "Order Revoking License within 20 Days Based on Nonpayment of License Fees" issued on October 23, 2012. Section III.A. of the Order states, that after license revocation, the license remains in effect, pursuant to 10 CFR 30.36, with respect to the possession, transfer, and storage of licensed nuclear material remaining in the Licensee's possession, as contamination or in other forms, until the Commission notifies the Licensee in writing that the license is terminated. On November 12, 2012, the licensed nuclear material possessed by the Licensee was transferred to West Virginia Paving (NRC License No. 47-17070-01). An NRC inspector reviewed records for leakage and removable contamination and determined that the sealed sources were intact. All facilities previously used for licensed activities may be released for unrestricted use.

An environmental assessment for this action was not required, since this action is categorically excluded under 10 CFR 51.22(c)(20).

In accordance with 10 CFR 2.390, a copy of this letter will be available electronically for public inspection in the NRC Public Document Room or from the NRC's Agency-wide Documents Access and Management System (ADAMS), accessible from the NRC Web Site at <http://www.nrc.gov/reading-rm/adams.html>.

If you have any questions, you may contact me at 610-337-5075, or via electronic mail at Steven.Courtemanche@nrc.gov.

D. Hannah
