Subject: **update on RAI response**

Discussion: Dr. Bose called in response to an email I sent asking if he would be responding to the RAI sent by email May 14. He stated that he does not have all the information he needs from the authorized user regarding equipment and facilities for handling PET materials. He also is waiting for AUs to determine how they want the other radionuclides listed. He hopes to get back to me with a full response next wee

Action Required: file telecom record in licensing package
