RE: Phone Conversation on Thursday, June 20, 2019
BSK License Amendment

Dear Mr. Tran,

Per our telephone conversation on Thursday, June 20, 2019, you explained that there was a license amendment submitted with our License Number. BSK has not submitted any license amendment requests to your office this year. Hopefully, the problem is only a type "o" with the license number.

If we can be of any further assistance, please do not hesitate to contact us. Thank you.

Sincerely,

Stephen A. Kisan
Radiation Safety Officer
