Via Fed-Ex

Dear Ms. Ullrich:

Ashland submitted a letter dated May 20, 2019 to your office providing notification that Ashland LLC ("Ashland") planned to sell its Composites business to INEOS Enterprises ("INEOS")¹. The transaction had been expected to close on July 31, 2019. The terms of this sale have now changed and the Kenova, WV site is no longer going with the sale. At this time Ashland would like to rescind its intent to transfer the above referenced license to INEOS. Please note there will be no changes to facilities, operations (including location, equipment, or procedures), or address. This change in the sale agreement with INEOS has no effect on the current assets and liabilities in any way that would influence compliance with the license.

If you have any questions or concerns, please do not hesitate to contact me at 614-790-9295 or klong@ashland.com.

Sincerely,

Kara Long
Corporate Environmental Engineer
Ashland LLC
