Subject: Request for additional information regarding NRC License No. 12-16941-01

Dear Mr. Thornton:

We have reviewed the amendment request for NRC License No. 12-16941-01 dated June 10, 2019. We determined that we will need the following information in order to complete our review.

- 1) Provide the number of the Viken Detection Corporation (formerly Heuresis Corporation) Model Pb200i which you plan to possess.
- 2) Provide the purpose which the Viken Detection Corporation (formerly Heuresis Corporation) Model Pb200i will be used.
- 3) Provide a statement that the licensee will use the X-ray fluorescence devices authorized in the license in accordance with the instructions provided in the applicable Sealed Sources and Devices Registries (SSDR).

For your information, the current SSDR registries for the Radiation Monitoring Devices, Inc. Model LPA-1 and Viken Detection Corporation (formerly Heuresis Corporation) Model Pb200i are MA-0573-D-802-B and MA-1397-D-101-B, respectively. We will use the information in those SSDRs to update your license.

Please provide the response for the above in writing with authorized signature and date by July 3, 2019. You could fax the response to 630-515-1078, ATTN: CN 612136.

If you need any clarifications or questions, please do not hesitate to contact me at 630-829-9623 or reply to this email.

Sincerely,

Frank Tran

Subject: RE: Request for additional information regarding NRC License No. 12-16941-01

Mr. Thornton,

In the letter dated May 6, 2019, you requests to delete the location of use located at 1393 Wheaton Drive, Suite 880, Troy, MI 48083. However, your current license (Amendment No. 90) does not list Suite 800 in Condition No. 10. Could you please help me to understand what your intention was? You could add the explanation to the response as requested in the email below.

Thank you,

Frank Tran
