SUBJECT: RESPONSE TO NOTICE OF VIOLATION AND PROPOSED IMPOSITION
OF CIVIL PENALTY - \$29,000 AND NRC INSPECTION
REPORT 030-32176/2018-002

Dear Mr. Wright:

On December 20, 2018, the U.S. Nuclear Regulatory Commission (NRC) cited Terracon Consultants, Inc., for violations involving the transportation of a portable nuclear gauge on public highways. The Notice of Violation required you to respond in writing within 30 days (Agencywide Documents Access and Management System (ADAMS) Accession ML18354A803). You responded by letter dated May 17, 2019 (ADAMS Accession ML19154A198).

After reviewing the information you provided in your response to the Notice of Violation, we have concluded that your completed and proposed actions appear to adequately address the regulatory non-compliances described in the Notice of Violation. We will review your implementation of these corrective actions during a future inspection to determine whether full compliance has been restored and whether compliance will be maintained.

In accordance with 10 CFR 2.390 of the NRC's "Agency Rules of Practice and Procedure," a copy of this letter will be made available electronically for public inspection in the NRC Public Document Room or from the NRC's Agencywide Documents Access and Management System, accessible from the NRC Web site at <http://www.nrc.gov/reading-rm/adams.html>.

Sincerely,

/RA/

Patricia A. Silva, Chief
Materials Inspection Branch
Division of Nuclear Materials Safety

Docket No.: 030-32176
License No.: 15-27070-01

J. Wright
