Mr. Evans,

Just to confirm that this is just a simple name change, could you provide a before and after corporate organizational chart?

Randolph,

Sir, this change of control document that you sent to me. I have a couple questions.

- 1) Who do I put for the NRC Contact and NRC Region?
  - 2) Same with the telephone and fax?
- Do I complete this section with my information?

Thank you

Greg Evans,

Mr. Evans, I am reviewing your license amendment request dated March 15, 2019. I am being advised that your request is not a simple name change, rather it represents a direct change of control.

It also appears that the change of control has already occurred, and that you are also requesting renewal of the license.

I have attached a document in Word format that includes the information NRC requires to change control of this license.

Please answer the questions contained in the attached document and return it to me. Please reference the following:

NRC License No. 34-35134-02

NRC Docket No. 03038721

Mail Control No. 611645

Also, please contact me if you have any questions.
