Subject: Blackjewel, LLC Bankruptcy Notification (License No. 49-26963-03; Docket No. 3032949)

Good afternoon Mr. Olson,

Thank you for taking the time to talk to me today. As we discussed during our phone call, Blackjewel, LLC must submit a bankruptcy notification to the U.S. NRC, per the requirements in 10 CFR 30.34(h). The notification should include the court in which the petition was filed and the date of the filing. You may submit the notification via email to me, as an official company letter, dated, and signed. Our guidance in NUREG-1556, Vol. 15, Rev. 1 contains information regarding bankruptcies. Section 6 and Appendix G contain helpful information on bankruptcy, bankruptcy notifications, and information you should provide to the US NRC.

Do not hesitate to contact me with any questions or concerns.

Thank you,

Celimar Valentin-Rodriguez, Ph.D.

General Engineer

Re: NRC license 49-26963-03

Celimar Valentin-Rodruquez (Celimar.Valentin-Rodrugues@nrc.gov)

General Engineer

U.S. Nuclear Regulatory Commission

Dear Sirs:

This letter is to notify you that Blackjewel LLC declared bankruptcy in the Southern District of West Virginia on July 1, 2019.

The license NRC license is still held by Blackjewel and David Olson is the Radiation Safety Officer.

Regards,

A handwritten signature in black ink, appearing to read "Dave Olson", with a long horizontal flourish extending to the right.

Dave Olson, RSO
