 Chairman, Nuclear Regulatory Commission  
 Washington, D.C. 20555

Dear Chairman Hendrie:

As you know this Committee and others will conduct extensive inquiries into the accident at Three Mile Island. In order that these inquiries be as comprehensive as possible, it is important that relevant records be preserved. Among the materials that should be kept intact are tapes of closed Commission meetings conducted since the Commission first learned of the accident.

Thank you for your cooperation.

Sincerely,

MORRIS K. UDALL  
 Chairman
