

MAR 5 1974

Docket No. 50-320

K. Kniel, Chief, Light Water Reactors Branch 2-2, Licensing

ACCEPTANCE REVIEW OF FSAR FOR THREE MILE ISLAND, UNIT 2 (TMI-2)

Plant Name: Three Mile Island, Unit 2  
Licensing Stage: Pre-OL  
Docket Number: 50-320  
Responsible Branch: LWR 2-2  
Description of Response: Acceptance Review for TMI-2 FSAR  
Project Leader: B. Washburn  
Requested Completion Date: March 5, 1974

We have completed our acceptance review of Chapter 11 and related chapters dealing with Radioactive Waste Management. We find the information to be approximately 95% complete. We recommend that the application be accepted for review.
