Honorable Arthur J. Sills
 Attorney General
 State of New Jersey
 State House Annex
 Trenton, New Jersey 08601

Dear Mr. Sills:

Jersey Central Power & Light Company, Morristown, New Jersey, has filed an application for authorization to construct and operate a second nuclear reactor at the applicant's Oyster Creek site in Lacey Township, Ocean County, New Jersey. The proposed reactor is of the pressurized water type and is designed for initial operation at approximately 2452 thermal megawatts.

A copy of the application is enclosed, including the "General Information" portion and Volumes 1, 2 and 3 of the Preliminary Safety Analysis Report. Also enclosed are copies of application Amendment No. 1 and a notice which has been sent to the Office of the Federal Register for filing and publication.

Sincerely yours,

(signed) Harold L. Price

Harold L. Price
 Director of Regulation
